City Clerk's Report

Bower brought Ordinance 989 for Model floodplain management. Council decided to look over the document and discuss it at the next council meeting on October 18, 2021. No action was taken. Bower informed Council of a complaint about someone who had rented the Community Building and wanted a refund. After a lengthy discussion Council agreed to a one time only fifty percent refund. Bower informed Council of the Halloween Party for the 7th and 8th grade classes at the Community Building. Council agreed to waive the fees for the event. Bower asked Council if the office staff could rent polo shirts with the City logo from Cintas. Council agreed office staff could order shirts from Cintas.

Utilities Supervisor

Gumfory updated Council on his search for quotes for water meters. Gumfory told Council he still had one more he should have by next meeting.

Committees:

Park and Recreation

Gumfory asked Council what could be done to solve the issue with the codes for the showers down at the RV park for the campers who pay to rent them. The phone number on the door can't not be reached so the renters call the after hours number to the City Hall and Gumfory doesn't have the code. Bower told Council she would call and see if they could come up with a solution.
